Ms. Jocelyn Boyd  
Chief Clerk/Executive Director  
Public Service Commission of South Carolina  
101 Executive Center Dr., Suite 100  
Columbia, SC 29210-8411

Dear Ms. Boyd:

This is my response to your letter today requesting that I identify any potential conflicts of interest as indicated by the list of Applicants, Attorneys, Law Firms, Intervenors and subsequent Parties of Record in the Avoided Cost Methodology dockets currently on file with the Public Service Commission of South Carolina (Commission).

Power Advisory LLC has not worked for any of the Applicants, Attorneys, Law Firms, Intervenors and subsequent Parties of Record in the Avoided Cost Methodology dockets currently on file with the Commission. However, approximately four years ago we worked for one member of the South Carolina Solar Business Alliance, Inc., Canadian Solar. The work for Canadian Solar had consulting fees of less than \$15,000. I don't view this as a conflict of interest given the time that has elapsed and the de minimis level of consulting fees.

I am available to answer any additional questions regarding this work during our interview on August 19<sup>th</sup>.

Sincerely,

John Dalton  
President  
Power Advisory LLC
